Respected Sir,

We hereby certify that **TASMIYA FATHIMA** bearing **USN IBM/CS172**, studying in your esteemed Institution, and in her 4th Semester, has worked in Ashanilaya Orphanage for more than 100 hours in the months of January, February and March 2021.

During this period she has worked in our Ashanilaya Orphanage at Ejipura with the orphan children aged between 6 to 16 years. As part of her work, Tasmiya Fathima joined our staff in helping the children in their studies, taught them group games, singing and other extra-curricular activities. She also visited our other development projects in the Ejipura Slum and helped our staff in organizing Health Camps, Adult Literacy Programs, etc. It has been a very valuable learning experience for her as she could understand how a Social Organization functions and also the needs of the most disadvantaged children who have lost their parents, and the needs of the urban slum poor. We are sure this exposure has further reinforced her attitude of caring and concern for the less privileged.

We thank you for sending Tasmiya Fathima to our Orphanage and wish her a very great success in her life.
